DETAILED ACTION

1. Claims 1 to 15 are presented for examination. Claims 3, 5, 8, 10, 11, 14 and 15 were canceled by the amendment filed September 7th 2006.

Continued Examination Under 37 CFR 1.114

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 1-26-2007 has been entered.

Information Disclosure Statement

3. The references listed in the information disclosure statement submitted on 1-26-2007 have been considered by the examiner (see attached PTO-1449).

Allowable Subject Matter

4. Claims 1, 2, 4, 6, 7, 9, 12, and 13 are allowed.

5. The following is an examiner's statement of reasons for allowance: the instant application is directed a disk drive that includes a detection unit for detecting burst noise

and an iterative decoding unit for erasing from the likelihood calculation a calculation term for calculating a channel value when a burst noise is detected by the detection unit. The prior art made of record, taken alone or in combination teaches a disk drive with a detection unit and an iterative decoding unit; however, the prior art made of record, fails to teach or fairly suggest or render obvious the novel element as recited in the claims. Specifically, the prior art made of record fails to teach or fairly suggest the limitation of an iterative decoding unit, which states, " when the burst noise is detected by the detection unit, wherein a calculation term fro calculating a channel value is erased from the likelihood calculation."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
